Please keep in mind that Willow Oaks Plantation is a private residence. It is important for us to know who, in addition to the bride, will have access to the Main House if you have selected a photo session option which includes access to the Main House.

The guest limit in the Main House and Lodge is 15 each, unless otherwise authorized. Please list the names of people who will have access to the Main House:

Prior approval is required to have a stylist on the premises. While we understand that hair and makeup are an important part of a formal portrait, the Main House is furnished with many one-of-a-kind antiques, and the fabrics used in curtains, bedding and rugs can be damaged by excessive heat or chemicals. Hair styling and makeup should take place off premises or in the Lodge.

IMPORTANT: The floors of the Main House are heart pine, and they are very soft and susceptible to denting. Therefore, high heels should only be worn in posed portraits and not for walking around. Please bring slippers/socks or soft-soled shoes to protect your feet while you're in the house and advise any other participants in your photo session to do the same.
